The Honorable Henry J. Hyde
Committee on Foreign Affairs
House of Representatives
Washington, D.C. 20515

Dear Mr. Hyde:

We appreciate your willingness to meet with the members of our Executive Seminar "CIA and the Congress" on 30 October 1985 at 4:00 p.m. in Room 2225, Rayburn House Office Building. This Seminar is for members of the Senior Intelligence Service and is intended to increase their understanding of and familiarity with oversight functions.

The participants will have had an earlier session with me and a panel of my colleagues discussing the importance of effective Congressional relations and why the legislative and executive branches do not always view things from the same perspective. We look forward to the special insights you will be able to provide from your distinguished service on the Committee.

Sincerely

/s/Charles A. Briggs
